Sir:

In the matter of the above-identified application, Applicants, through their undersigned representative, are submitting herewith a copy of an uncovered Japanese Patent Publication and a listing thereof in Form PTO SB/08A, in keeping with the duty of disclosure/candor requirements.

This Information Disclosure Statement (IDS) is being submitted after the mailing date of the first Office Action but before the mailing date of a Final Office Action on the merits and, therefore, this IDS meets the requirements pursuant to 37 C.F.R. §1.97(c). The following statement, in accordance with 37 C.F.R. §1.97(e)(2), is also being made:

Upon information and belief, the undersigned submits that no item of information contained in this Information Disclosure Statement (IDS) was cited in a communication from a foreign Patent Office in a counterpart foreign application, and, to the knowledge of the undersigned representative after having made reasonable inquiry, no

item of information contained in the Information Disclosure Statement was known to any individual designated in §1.56(c) more than three (3) months prior to the filing of this IDS.

As to the requirement of 37 C.F.R. §1.98(a)(3) for any concise explanation of relevance to the extent that the listed document is not in the English language, this is met by the submission of an English language abstract thereof which describes the relevant Fig. 1 thereof.

It is noted, also, that the Japanese Patent Publication date thereof is subsequent to the foreign filing date of the earlier one of the two Japanese counterpart applications, which are listed in the original Declaration.

It is submitted that this IDS is in compliance with the rules of practice as well as with U.S. PTO guidelines. Therefore, Applicants respectfully request that it be duly entered into the official record. Also, acknowledgement of such formal entry as well as formal consideration thereof is respectfully requested.

Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 01-2135 (503.38097CX1) and please credit any excess fees to such Deposit Account.

Respectfully submitted,
